

# Jan Reimer SCHOOL

Dear Parents/Guardians,

Hello, new Grade 1 families! We wanted to provide some information regarding purchasing of school supplies. We know that list may seem very specific and part of that is due to the fact that those are the brands available through the supply company, and also some because we know that those are the ones that last well. Below are some items that we do not require specific colours, sizes, or brands.

### **Any Brand:**

Headphones  
Facial Tissue  
Scissors  
White Erasers  
Sharpie

For **all** other items, we ask that you follow the list **specifically** so that we are able to colour code, stack, utilize specific classroom spaces, etc.

### **Labelling:**

Please label all items except for kleenex, individual pencils, crayons, markers and pencil crayons (labelling the package is fine).

Please send all supplies in a **separate bag/tote** on the first day of school, so they don't get mixed up coming out of student backpacks. We will have everything they need for day one.

Your partners in learning,

Grade 1 Teachers
